

Superintendent Update

March 25, 2024

Reconfiguration Plan

- All staff has been notified as to where they will be teaching for the 2024-2025 school year as well as what grade-level and content area.
- Our March 15th professional development day was organized based on our new district configuration.
- Tonight we will be presenting our new English Language Arts Curriculum that will be implemented starting in September for grades K-8 as we continue to focus on improving student achievement.
- At our April Board of Education meeting we will be presenting the new elementary and grades 5-6 schedules for 2024-2025.
