Since the start of the school year, WAS has displayed their National Hispanic Heritage Month bulletin board.

# MEXICAN INDEPENDENCE DAY

WAS students learned about Mexican Independence Day, which is celebrated in México and Mexican communities around the world on September 16.

This celebration began on Friday, September 15th in Mexico around 6:00 a.m. with the enactment of "El Grito de Dolores" (orig. Father Hidalgo) by Mexican President López Obrador. Our 4M students watched portions of that enactment in the classroom on Friday.

National Hispanic Heritage Month began on September 15 in the U.S. and will end on October 15. Like last year and the year before, WAS students will also be learning about this celebration in their Spanish classes. (19 Spanish-speaking countries around the world and their communities in the U.S. will be celebrating their "independence" from Spain around the same time).
