 **Congratulations to the SHR FFA AG MECHANICS TEAM!**

Travis Trautman, Wayne Heisler, Jeffrey Trautman, and Daniel Perehyns traveled with advisor Taylor Waldron and chaperone Kevin Cox to compete at the Eastern States Exposition (The Big E!) in Springfield, Massachusetts last month.

The competition included a written exam, a team activity using a Kubota tractor, a hydraulics activity, a construction activity, and a machinery activity.

The SHR Future Farmers of America and Agriscience Mechanics team placed **4th** out of nine teams from all over the Northeast and Midwest regions. This is the first time that a New Jersey team has placed in this event at the Big E since 2011! Wayne also received 7th place individual out of approximately 35 competitors.

Outside of their own competition, they observed other career development events, met FFA members from all over the country, enjoyed being at one of the top 10 fairs in North America, and attended the FFA awards banquet surrounded by hundreds of FFA members and their advisors. Please join me in congratulating these hard-working students when you see them! They will be continuing to study and practice skills necessary to compete at the national FFA convention in November.
