ST. JUDE MATH-A-THON

Math-A-Thon is a math-enrichment fundraiser that raises money for St. Jude Children's Research Hospital. LPS students have been participating in this tradition for many years. Students have one week to complete math challenges and ask friends and family to sponsor them by making a donation to St. Jude.

Each year, Ms. Arielle Cuozzi and Ms. Nahed Andraos help organize the LPS Math-A-Thon. This year, participating students raised **\$2,585** for St. Jude!

MS. CHELSEA GARDINER

FIRST GRADE TEACHER

CO-TEACHERS: Mrs. Mohr and Mrs. Jameson

18TH YEAR TEACHING

8TH YEAR TEACHING
AT SOUTH HUNTERDON

WHAT DO YOU ENJOY MOST ABOUT TEACHING?

The most fulfilling aspect of being a teacher is the expression on a student's face when they have confidence and pride in their own growth as a learner.

WHAT DO YOU THINK IS THE MOST IMPORTANT THING A TEACHER CAN DO FOR THEIR STUDENTS?

The most important thing a teacher can do for their students is to listen, observe and get to know them. When students feel known and valued, they have confidence to take risks and learn new things!

WHEN YOU ARE NOT TEACHING, WHAT DO YOU LIKE TO DO?

When I am not teaching I like to spend time with my family. We like to go hiking, go out to eat and play with our puppy.

WHAT IS THE MOST IMPORTANT THING YOU HOPE STUDENTS LEARN FROM YOU?

I hope that when my students leave my classroom, they love learning and know that they have tools to ask and answer their own questions.

HOW DOES CO-TEACHING BENEFIT THE OVERALL CLASSROOM EXPERIENCE FOR YOUR STUDENTS?

Co-teaching is a model of instruction that allows teachers to meet the needs of all students in the classroom. It is an opportunity for teachers and students to experience the content in different ways.

WHAT IS YOUR TEACHING PHILOSOPHY?

My goal as an educator is to create an inclusive learning environment where all students can learn and grow.
