FISHERMAN'S MARK

This holiday season, Mrs. Douglas and the Middle School Student Council collected new and gently used scarves, mittens, and hats to donate to Fisherman's Mark. Thanks to many generous contributions, they were able to donate five large bags stuffed with these useful winter items to Fisherman's Mark!

HS FOOTBALL

After earning a 9-2 record this season, the South Hunterdon Eagles were named the Freedom Silver Division Team of the Year. The Eagles won nine consecutive games after an opening-day loss to Ewing to reach the Central, Group 1 semifinals. They fell to Glassboro in the semifinals, 20-0.

Congratulations Eagles!

1st Team Group 1 Defense

Anthony Venettone

2nd Team Group 1 Defense

Garrett Sway Hoover

SHR FFA UPDATE

On Tuesday, December 12th, the SHR FFA Chapter attended the New Jersey Department of Agriculture Food Conference in Edison, NJ. This is the first time that students were invited to attend this event and they surely enjoyed it! They were educated about how the USDA plays a role in how food is distributed to schools as well as how the farmers, processors, brokers, and vendors work to get food products from the farm to the plate for school-aged students. FFA members got to sample lots of different food items and provide their input with vendors while completing a scoring card for the different food items. They did not leave hungry!

On Thursday, December 14th, SHR FFA members took their annual holiday trip to Longwood Gardens in Kennett Square, PA. They learned about different seasonal plants and enjoyed the beautiful displays put on by the team at Longwood Gardens. They also visited the museum and took an outdoor nature walk to explore the trails and treehouses.

A special thank you to Mrs. Waldron, Ms. Bentzinger, Mrs. Phillips, Mrs. Fenimore, and Mrs. Baker for chaperoning, as well as Mrs. Macknight and Mr. Harris for setting up the NJDA Food Conference trip.
