STATE TESTING

PARENT INFORMATION MEETING

TUESDAY, APRIL 23RD @ 6:00PM

Please join SHRS D Director of Curriculum and Instruction, Jane-Ellen Lennon, on Tuesday, April 23rd in the South Hunterdon Middle/High School Library at 6:00 pm to learn more about how we are preparing our students for the state tests in May. The presentation will focus on the tools, resources, and best practices being implemented in our classes.

The meeting is also available with [this ZOOM link.](#)

FAMILY LITERACY NIGHT

Thank you to Shannon Birckhead, Amwell Lodge No. 12, Free and Accepted Masons, and all those who helped make Family Literacy Night 2024 a huge success!

Footprints

The 2nd grade at West Amwell started the Footprints for Life program on Friday, April 12th, which is taught by Hunterdon Prevention Resources. The six lessons will cover topics like emotions, conflict resolution, peer pressure, and drug prevention. At the end of each class, students perform a puppet show related to the content of the lesson.

2024 CAMP FAIRVIEW TRIP

The 6th grade Camp Fairview Lake trip provides South Hunterdon students with a unique opportunity to form new relationships, learn in a new environment, and challenge themselves. South Hunterdon Regional High School juniors and seniors are selected as counselors after a screening process that involves applying and interviewing.

Camp Fairview Lake provides a safe, positive, and memorable atmosphere for all students to grow during the three days we are there. Students spend their days with familiar teachers, Camp Fairview staff, and their counselors.

This year's trip was fantastic, full of team building activities, ecological education, and even a 3-mile hike along part of the Appalachian Trail! Most of all, WAS and LPS students connected with each other and made lasting memories during the activities, meals, and overnights.
